Sir,

With reference to Progs
No 7632-9 dated 30th ultimo,
I have 191 the honor to state
that the Budget estimate
of the municipal towns shew
-ing the details of the several
items of the estimated receip
and expenditure have
been submitted with my
letter No 1272 dated 29th ultimo.

Davangere is the only
town in which an English
class is attached to the
Taluk vernacular school
The cost of the establishment
for the class is Rs 30 a month
or Rupees 360 a year, In
the Dewans order No 3070 of
104
1882-3 to the Chitaldroog Depy
Commissioner a monthly
grant-in-aid of Rs 10 was
sanctioned to be paid
from Government, the

balance of Rs 20 being directed to be met from fees and contribution by the towns people. In Proceedings No 4520 dated 25th September 1882 it was laid down that fees and contribution for English classes "should cover at least one half of the cost of English instruction" and that the remaining half should be borne in equal parts by the Municipality and by a Government Grant. On the transfer of the Dalutk to this District the Aimcoar in January last asked instructions as to how far the order No 3090 which referred to Davangere Town should be taken to have been modified by the subsequent order which referred to all towns generally. In reply he was informed that this order did not prevent the fees and contribution from being more than half the cost but they should not be less, and that as in the case of the Davangere Town the fees and contribution paid monthly amounted to 2/3 of the cost or Rs 20/ the remaining sum Rs 10 should be equally borne by the Municipality and the Government. The Budget for 1883-4 has been prepared accordingly.

As regards the amount of the cost of repairing the Dalutk Schools, I beg to refer you to my letter above quoted, in which owing to the falling off of income by the reduction of octroi I have recommended the future cost of such repairs being charged to the Local Funds

I have the honor &c,
